

CHEERS FOR CASA

NOVEMBER 2025

 Cheers for CASA offers a chance to support your community by investing in its most valuable asset: children.

Step 1: Select your CASA specialty item or service to be featured.

Step 2: Receive marketing materials for your restaurant or store, provided by CASA.

Step 3: Donate a percentage of the sales from your chosen CASA item or service for the month or featured day.

Mission: Lone Star CASA elevates the voices of children in Kaufman and Rockwall County who have experienced abuse and neglect by providing trained volunteer advocates to work alongside children and families so they can achieve safety and stability to fulfill their potential.

Your business will be acknowledged as a proud supporter of CASA through social media posts, marketing emails, and press releases.
